SEPTEMBER 2001

FLYERS & TIRES 2001

Flyers & Tires 2001 was our Chapters most successful event ever. Treasurer Carla Nusbaum will have a complete breakdown at the September 8th regular members meeting. If you can't make it, or can't wait, contact any officer or director for information (see list, last item P2).

The weather was ideal. Attendance was estimated at around 700 Saturday and about 1000 Sunday. Chapter membership participation was outstanding at around 80%!

MINUTES OF THE AUGUST MEETINGS

There was no members meeting in August due to *Flyers & Tires*. There was a B.O.D. meeting Aug. 15th for the purpose of debriefing *Flyers & Tires*. In addition to the board members (less Hill, Jr.) five other members attended. No formal business was brought before the board but a lengthy timetable/checklist, for both the pancake breakfast and *Flyers & Tires* in 2002 was begun. If you have suggestions for next year, send them to an officer or director while they are still fresh in your mind. Plans for an appropriate "thank you" to all our volunteers and supporters resulted in the planned *Appreciation Day Picnic* to be held Saturday, Sep. 15th (see article this page).

SEPTEMBER MEETING AND YOUNG EAGLE RALLY

The September members meeting will be held Saturday, Sep. 8 at 10:00 AM at Galt. (It will be preceded by a Board Of Directors Meeting ant 9:00 AM, any member wishing to attend may do so.)

The Young Eagle flights will take place from 11:00 AM to 4:00 PM. We'll have the gas grills fired up and be serving Burgers & Brats.

Young Eagle and Dad at a recent Young Eagle Rally

CHAPTER VOLUNTEERS APPRECIATION DAY

APPRECIATION DAY, Saturday September 15th is for all EAA 932 members and benefactors who gave so generously of their time, talents and resources in supporting our recent Chapter activities, mainly the ***Pancake Breakfast*** and ***Flyers & Tires***. We'll be cooking burgers, brats, dogs and steaks, EVERYTHING IS FREE OF CHARGE for you and your family. Also, everybody who wants a plane ride will fly – this includes all members, benefactors and their families! And we'll tailor the flight to your level of experience and interest. From a walk through on a coupled GPS approach in an IFR/GPS equipped aircraft to a demo ride in a brand new Citabria, or if you like the 'Golden Oldies", how about a ride in an L-3 or an Ercoupe -- or a Skyhawk or a Cherokee? This is going to be a (long overdue) "Hey, **THANK YOU** for all you great guys and gals – now it's time to have some fun ourselves!

EAA CHAPTER LEADERS AND INTERESTED MEMBERS - Come Experience a Unique Opportunity!

The EAA Chapter Office and the EAA Chapter Advisory Council will be hosting a Chapter Leadership Workshop at EAA Headquarters in Oshkosh, Wisconsin on Oct. 6th, 2001. Chapter Leaders will be able to attend a high quality interactive workshop, meet EAA Staff, and tour EAA's World Class Facilities. To make reservations for the workshop call 888 322-4636, ext. 4876, e-mail at chapters@eaa.org, or fax at (920) 426-6560.

This Workshop is Free and is not just for Chapter Officers: it is for anyone who is interested in the future direction of their Chapter.

Attendees will also have the opportunity to stay at the Air Academy Lodge. To check for availability and pricing at the Lodge call 888-322-4636, ext. 6820

The topics we will cover in the Workshop will include:

* Design a strategic direction for your Chapter
* Build a stronger Chapter with higher Member performance.
* Create activities to get your Chapter off the ground.
* Supercharge your Chapter with new Members.
* Take care of Chapter business. (Keeping your paperwork and records up to date.)

One or more Chapter Officers plan to attend. Why not join us?

AOPA WEB TOOL EASES MEDICAL APPLICATION PROCESS

From the AOPA "e-pilot"

AOPA has launched a new Web-based tool to help pilots prepare to obtain their medical certificates.

AOPA's TurboMedical is the first of a series of intelligent online forms to come from AOPA. Pilots who use TurboMedical will be less likely to experience medical-certificate delays or denials. The innovative online form "interviews" the pilot to ensure that all of the information on FAA Form 8500-8 (application for a pilot medical certificate or student pilot certificate) is filled out correctly. Go to: http://www.aopa.org/whatsnew/newsitems/2001/01-3-042.html

Thank you (from upper left clockwise) Gerry Molidor, Mark Peteler, Rory Olson and Mike Hunter. You guys are great!
